

Mary's House

Digital video

2001

3,00 min.

When God is water, Mary swims in the water. Symbol of the unmoved mover, the heart.

Yet another Italian artist Alberto Magrin's the title of the video which 'Mary's House' is probably the most simple and romantic video of the activity. Accompanied by a romantic music, the figure of a man who is trying to reach towards the island but floating in the same place is nearly fascinates to audiences. (Sinasi Gunes)
